Dirichlet Forms on Graphs

SALERNO - July 26-28

Main Courses

Daniel Lenz
University of Jena
Introduction to Dirichlet spaces

### Marcel Schmidt
Univ. of Jena and Univ. of Leipzig
Dirichlet forms on discrete spaces and analysis on discrete graphs

Christian Seifert
University of Hamburg
Dirichlet forms and Diffusion equations on metric graphs

Mathematical models for interacting dynamics on networks

cost
EUROPEAN COOPERATION
IN SCIENCE & TECHNOLOGY

https://mat-dyn-net.eu/en/activities

Organizers

Bálint Farkas
University of Wuppertal
Federica Gregorio
University of Salerno
Abdelaziz Rhandi
University of Salerno
